

MEET THE CANDIDATES

2021 Election

LISA SHIVERS

- VP Administration
- *As the VP of Administration, Lisa intends to fulfill the duties for this role and help keep the PMI Southwest Ohio Board organized. Some of the duties include collecting and maintaining records of all business meetings for the Chapter and the Board. Lisa has a great understanding of technology and excels at notetaking and organization.*

MASAKO HASHIMOTO

- VP Administration
- *Masako would like to be elected as the VP of Administration to assist the chapter in its administrative and record keeping functions. She knows the ins and outs of organizing documents and looks forward to bringing her expertise to the role.*

JANAE BEUERLEIN

- VP Administration
- *If elected, Janae plans to contribute to the Southwest Ohio Chapter's future success by leveraging her skills as an organized, engaged, prepared, consistent, and transparent board member.*

NICHOLAS WHITE

- VP Membership
- *For the SW OH PMI Chapter, Nicholas would like to focus on elevating, engaging, and sponsoring the next wave of project management professionals in the community. He intends to expand the PMI SW OH chapter's sphere of influence through calls to action, inclusion, information, insights, and personal support. With a unique perspective, Nicholas intends to engage non-members to think about project management conceptually and differently to become more involved in this amazing discourse community.*

PARKER SLOAN

- VP Outreach
- *For the SW Ohio PMI Chapter, Parker would like to focus on community outreach, specifically engaging college and high school students. Since he is a college student himself and has done community outreach in the past, he feels he can really connect with the younger audience. His end goal is to inspire young students and professionals to get involved in project management. Parker was a part of the chapter's education efforts at Deer Park High school and is looking forward to returning as a guest speaker to share his story and inspire the younger generation.*

ROSEMARY HELMS

- VP Digital Transformation and Technology
- *Technology has opened many doors for Rosemary and she looks forward to the opportunity that is provided by serving as Vice President of Digital Transformation & Technology. Her focus on chapter initiatives would include:*
 1. *Facilitate a Security Mindset through Security Governance: Vulnerability Management, Security Policy Management and Data Management.*
 2. *Leverage Vendor Management skills to develop relationships to support chapter contracts and tools maintenance.*
 3. *Expand technology workshops for Board members and leverage technology to transform chapter initiatives.*
